

Person Specification

Hub Supervisor

It is not expected that a successful candidate will necessarily have all the following criteria. FareShare South West is committed to helping individuals develop professionally and personally, and your application is encouraged.

All roles require a basic DBS check. Some roles will require an enhanced DBS check. We welcome applications from people with convictions: your information will be handled confidentially and used to assess your suitability for the role.

Essential

- Excellent communication and interpersonal skills
- Problem solver and competent decision maker
- Full UK driving licence and forklift truck operator's qualification (or willing to train as an essential part of the role)
- Competent using MS Office Suite (Teams, Outlook, Excel)
- A clear commitment to the ethos of FSSW

Desirable

- 1 years' experience of working in warehousing operations
- Voluntary sector experience
- Experience of working with people who require support
- Experience and knowledge of adhering to health and safety standards
- Experience of working within a food operation
- Qualification in Food & Hygiene Level 2
- Experience of supervising staff and/or volunteers and delegating tasks
- Experience of delivering training

Attributes and values

- Able to live out our values at work: committed, inclusive, resourceful, collaborative
- Reliable and solutions-focused, embracing change and challenges
- Accountable, demonstrating integrity and high standards
- Hands on and proactive, supporting your team
- Committed to FareShare South West's work to rescue food from waste and share it with our local community
- Committed to safeguarding and promoting the welfare of children and vulnerable adults in line with our Safeguarding policy
